

NEXT GENERATION POCKET CORE TECHNOLOGY

QUADROLUTION™

THE MOST CUSTOMISABLE,
GLUELESS CORE EVER

[SPINKS.CO.UK](https://spinks.co.uk)

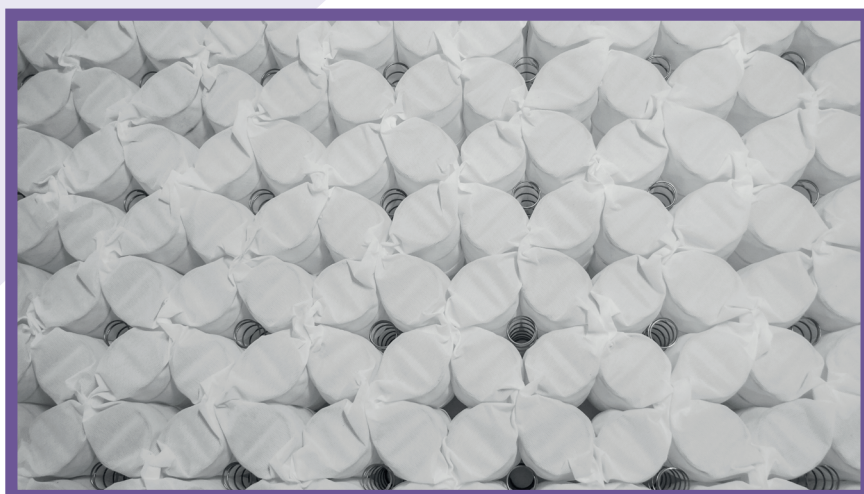

SPINKS™

QUADROLUTION™

Our next generation QuadCore™ that takes zonal comfort, support and durability to the next level.

It's two-stage action means the Active coil offers the main comfort and support whilst the smaller, Response coil delivers a secondary support to the user.

The Active coil works with our award-winning QuadCore™ to deliver two-phase support and infinite tailoring opportunities. Transforming comfort for future mattress designs.
